Lord, thank you for being my rock and my strength. I know you have a plan for each of us. Lord, I know that you are a comfort for me, and I pray that you continue to be by my side through all times. Please show me how to grow spiritually to Your glory. Like a tree planted by living water is the person who commits to your ways, O Lord. Nourish us with your disciplining love; prune our branches for growth. Teach us also to recognize good fruit and to recoil from the bitterness of the bad. We pray in the name of the eternal Father, Son and Holy Spirit, Amen.
