

Mission Commission Report 2015 & 2016

The Mission Commission is a group of people who hold the missionaries of this church and of the world close to their hearts. We have been reduced to two people at this time, Stephanie Paul and Angie Barnes. In previous years there have been up to eight active members. We would like to encourage anyone that has a heart for missions to come and be a part of our group. We meet monthly to read the updated letters that our missionaries send, pray for their needs and if needed send special gifts for urgent needs. The money for the gifts comes from funds that are undesignated but given to missions by the congregation. With the loss of church members we have had to cut the giving to the missionaries, at this time we give 10% of offerings divided among the missionaries. Following is a list of the missionaries and how much was given each one in 2015 and 2016. Hopefully, we will be able to start giving more that Christ will be spread throughout the world.
