Bring it Home / Introduction:

This account of Jesus’ anointing in Bethany teaches us about Worship.

- **Like Mary’s our worship must focus on God (Psalm 245:3; Romans 11:33-36; Psalm 46:10)**

What needs to be added to my life or subtracted from it so that I can worship God better?

- **Like Mary’s our worship encompasses both attitudes and actions.**

Old and New Testament Words:

- **Many forms of Worship**

(Rom 12:1; 2Cor 8:1-5; 9:6-15; Eph 5:18-21; Col 3:16; Phil 3:3; Matt 28:16-20; Acts 16:18-23, etc.)

What are the areas in my daily life that I would not normally consider worship that I now realized could be worship? What steps will I take to improve in those areas as I realize their significance to God?

- **Like Mary’s our worship demands sacrifice motivated by humility and compassion.**

- **Like Mary’s our worship affects:**

Others
The Lord
The Worshipper
